Hardware and Tools Industry Companies All Around the World Will Meet in IRAN

The second Iran International Hardware and Tools Exhibition and Show will be organized by **TG Expo International Fairs Co.** on **14 - 17 January 2019**. The fair to be held at **Shahr-e Aftab Fair Center, in Tehran, Iran** will attract a participation by many hardware and tools companies all around the world.

Iran Hardware and Tools Exhibition and Show is an ideal platform to the exhibitors to promote their products, services and brand image amongst the consumers from across the globe.

A Fair at the Center of Middle East With Full of Opportunities

With its **82 Million population** and **GDP of 1.37 Trillion USD**, Iran is one of the major economies in Middle East.

The major industries of Iran include petroleum, petrochemicals, gas, fertilizers, caustic soda, textiles, cement and other construction materials, food processing, ferrous and nonferrous metal fabrication, armaments and automotive. Among these industries, petrochemicals, cement and construction materials, metal fabrication and automotive are the ones using hardware and tools heavily.

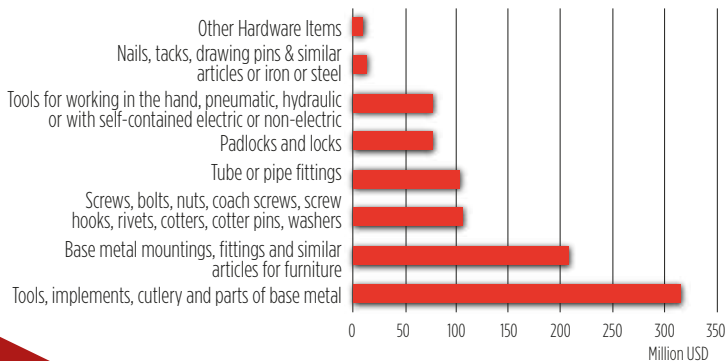

In 2015, Iran's total imports of hardware & tools amounted to **910 Million USD** and the major supplier countries were **China, Turkey, Germany, Chinese Taipei, South Korea and India**.

Why Should You Join This Fair?

- To enter Iran and Middle East hardware and tools market
- To find new purchasing contract and develop your business
- To meet sector professionals all around the world
- To attend B2B meetings and develop new networking opportunities
- To meet in a brand new fair area at the heart of Middle East
- B2B networking platform for exhibitor companies
- **Tehran, Tabriz, Mashhad, Isfahan, Kerec, Ahvaz and Shiraz** are the cities having visitor potentials
